

First XBRL Swiss Event

**“XBRL in Switzerland “**  
**March 10, 2006**  
**Hotel Senator**  
**Zurich**

You are invited to attend the 1st XBRL Swiss Event. This will be an educational event which intends to promote interest in XBRL in Switzerland and to spread knowledge among interested and concerned parties about the current status of XBRL, as well as future development in Switzerland. The event is organized by Infyns Systems and supported by XBRL International and XBRL Europe.

Among others speakers we will have the presence of:

**Olivier Servais – XBRL in Europe Permanent Secretary,**

**Kurt Ramin - Chair of the XBRL International Steering Committee at the International Accounting Standards Committee Foundation (IASCF), London**

**Liv Watson - Chair of the Jurisdiction Development Sub-Committee and Vice President of Global Strategy at EDGAR Online Inc,**

**Luc Dufresne - President XBRL-BE and Head of the Microeconomic Information department-National Bank of Belgium.**
